Re: Acceptance of a Public Rd.
Bardin Road
Flora, Mississippi

It has been brought to our attention that Bardin Road is listed in our official Road Registry as a "Private" road. According to the Road Department Manager, Lawrence Morris, the County has maintained this road for over thirty (30) years. It is our recommendation to the Board that Bardin Road be accepted as a "Public" road in our Road Registry.

It is also our recommendation that the County continues to maintain this road starting at Hwy 22, continuing down Bardin Road for 2,682 feet (see attached map). Beyond the 2,682 feet is an unconditioned road that leads and crosses into Hinds County.

We ask the Board for consideration in these two recommendations for Bardin Rd.
