**Subject: Award Term Bids for Asphalt Products and Services for the Term-Bid Period April 2013 – 30 September 2013**

Gentlemen:

Attached are copies the recently-opened term bids for asphalt products and services for the six-month period 1 April 2013 – 30 September 2013 along with a bid tabulation.

A few bid highlights of interest:

- The surface asphalt (SC1) price fell \$2.10 per ton, from \$63.80 to \$61.70
- The base asphalt (BB1) price fell \$1 per ton, from \$55 to \$54
- The price to lay-down asphalt increased \$1 per ton, from \$8 to \$9
- The price to haul asphalt increased 5-cents per ton mile, from 18 cents to 23 cents.

I recommend that the Board take the following action:

1. Award the Term Bid for SC-1 ASPHALT for the period 1 April 2013 – 30 Sept 2013 to APAC-CANTON.

Note: APAC-Canton's price for SC-1 of \$61.70 is \$5.70 per ton more than Dickerson & Bowen's low bid of \$56; however, the round-trip haul distance to Dickerson & Bowen's Jackson plant is 50 miles longer than to APAC-Canton. When fuel cost, driver pay and benefits, and tires and maintenance are calculated into the equation, the total cost to pick-up a ton of SC 1 Type II Asphalt from APAC-Canton is \$62.13 compared to \$63.59 from Dickerson & Bowen-Jackson, making APAC-Canton the "lowest and best bid." The cost per ton picked up is even greater from APAC-Jackson and ADCAMP. Detailed calculations are attached and incorporated as part of this letter by reference.

2. Award the First Alternate Term Bid for SC-1 ASPAHLT for the period 1 April 2013 – 30 Sept 2013 to Dickerson & Bowen.

3. Award the Second Alternate Term Bid for SC-1 ASPHALT for the period 1 April 2013 – 30 Sept 2013 to APAC-Jackson.

4. Award the Term Bid for BB 1 ASPHALT for the period 1 April 2013 – 30 Sept 2013 to APAC-CANTON.

Note: APAC-Canton's price for BB-1 of \$54 is \$3 per ton more than APAC-Jackson's low bid of \$51; however, the round-trip haul distance to APAC-Jackson is 55 miles longer than to APAC-Canton. When fuel cost, driver pay and benefits, and truck tires and maintenance are calculated into the equation, the total cost to pick-up a ton of BB 1 Asphalt from APAC-Canton is \$54.43 compared to \$59.14 from APAC-Jackson and \$59.09 from Dickerson & Bowen, making APAC-Canton the "lowest and best bid." Detailed calculations are attached and incorporated as part of this letter by reference.

5. Award the First Alternate Term Bid for BB 1 ASPHALT for the period 1 April 2013 – 30 Sept 2013 to Dickerson & Bowen.

Note: Dickerson & Bowen's price for BB-1 of \$51.50 50-cents per ton more than APAC-Jackson's lower bid of \$51; however, the round-trip haul distance to APAC-Jackson is 3.8 longer than to APAC-Jackson. When fuel cost, driver pay and benefits, and truck tires and maintenance are calculated into the equation, the total cost to pick-up a ton of BB 1 Asphalt from Dickerson & Bowen is \$59.09 compared to \$59.14 from APAC-Jackson, making APAC-Canton the "lowest and best bid." Detailed calculations are attached and incorporated as part of this letter by reference.

6. Award the Second Alternate Term Bid for BB 1 ASPHALT for the period 1 April 2013 – 30 Sept 2013 to APAC-Jackson.

7. Award the Term Bid for HAULING AND LAYING ASPHALT for the period 1 April 2013 – 30 Sept 2013 to ADCAMP.

8. Reject the Term Bid of Dickerson & Bowen for HAULING AND LAYING ASPHALT for the period 1 April 2013 – 30 Sept 2013 due to the fact that said company's bid does not meet the specifications. The specifications require the awarded bidder to haul and lay asphalt from any asphalt vender specified by the county. Dickerson & Bowen will only haul and lay asphalt from its plant.

9. Award the First Alternate Term Bid for HAULING AND LAYING ASPHALT for the period 1 April 2013 – 30 Sept 2013 to APAC.

10. Award the Term Bid for COLD MIX for the period 1 April 2013 – 30 Sept 2013 to APAC-Jackson.

Note: APAC-Jackson's price of \$120 per ton is \$20 more than Dickerson & Bowen's price of \$100 per ton; however, Dickerson & Bowen requires a one-week notice to pick-up cold mix at its Jackson plant. The Road Department normally requires cold mix within 24 hours. The aforementioned fact makes APAC-Jackson the "lowest and best bid."

11. Award the First Alternate Term Bid for COLD MIX for the period 1 April 2013 – 30 Sept 2013 to Dickerson & Bowen.
12. Award the Term Bid for ROAD RECLAMATION for the period 1 April 2013 – 30 Sept 2013 to ADCAMP.
13. Reject the Term Bid for LIQUID ASPHALT for the period 1 April 2013 – 30 Sept 2013 from ERGON due to the fact that the specifications required a delivered per-gallon price with no minimum quantity stated while the company's bid price is for a full tanker truckload (5,500 gallons plus). The Road Department often only requires approximately 3,500 gallons to fill its on-site tank. This is the action recommended by the State Auditor's office.
14. Reject the Term Bid of Blackledge Emulsions for LIQUID ASPHALT for the period 1 April 2013 – 30 Sept 2013 due the fact that the specifications required a delivered per-gallon price with no minimum quantity stated. Blackledge's bid price does not state a minimum quantity; however, the company's representative stated to me that the price would increase for less than a full tanker truckload (5,500 gallons plus). The Road Department often only requires approximately 3,500 gallons to fill its on-site tank. This is the action recommended by the State Auditor's office.
15. Per the State Auditor's recommendation, re-bid for liquid asphalt with specifications requiring separate bid prices for less than a tanker truck load and for a full tanker truck load.

Thank you in advance for your consideration of the above recommendations

Sincerely,

  
Hardy Crunk  
Purchase Clerk
