Subject: Approval to order chair for Judge James Walker

Dear Board Members:

The country is nearing completion of the new chancery courtroom that will be used by Judge James Walker. A chair for Judge Walker to sit in at the bench during court was not included in the construction contract. Judge Walker has requested that I purchase the attached chair from Staples at a cost of \$512.19.

Mississippi Code Section 9-1-37 requires prior board approval of all furniture purchases in excess of \$500 in any one year for chancery, circuit, and county courts. I recommend approval.

Sincerely,

Hardy Crunk
Purchase Clerk
