Subject: Authorize purchasing Ford F-450 on State Contract at price of \$33,032

Dear Board Members:

Road Manager Cornelius Bacon has requested that I purchase a Ford F-450 truck, cab, and chassis on State Contract at the price of \$33,032.

The truck would be purchased without a bed, as the Road Department plans to have a currently-owned dump bed removed from a worn-out truck and installed on the new Ford F-450. The new truck would be used for small jobs, such as installing culverts, where a larger dump truck is not needed.

Thank you,

  
Hardy Crunk  
Purchase Clerk

In an effort to be more efficient in government spending and to save taxpayer dollars, this year's contract does not provide for any options other than the ones listed on the Standard Equipment Form. Any vehicles purchased that deviate from this list will be in violation of State Contract bid requirements. If you need any equipment other than what is listed on this form, you will need to follow normal purchasing procedures.
