Re: LSBP - 45(6)  
Endris Bridge (Canton)  
Mullinville Bridge (North of Camden)

In 2003, the Board authorized a State Aid project to replace the bridges at Endris and Mullinville Roads. However, it appears that the board cancelled the project in 2007. Unfortunately, the cancellation was not followed through; as a result, the project is still on State Aid's books.

Therefore, it is the recommendation of the Engineering Department to fully cancel LSBP – 45(6) by authorizing the Board president to sign the associated paperwork and authorize the County to reimburse State Aid \$8,180.02 for engineer funds that were spent on this project, dated 12/1/2003.

As a result, this action will “free up” \$235,000 State Aid funds for bridge repairs.
