MADISON COUNTY, MISSISSIPPI
SPECIFICATIONS FOR
REPAIR OF LEEBOY MODEL 9000 PAVER
REVERSE AUCTION BEGINS AT 10 A.M. ON WEDNESDAY, FEB. 28

Madison County is seeking bids via a reverse auction for the repair of its Leeboy Model 9000 Paver. The presently-known needed repairs consist of:

1. Removing the old flight chains, drive sprockets, and drive chains, and installing new flight chains, drive sprockets, and drive chains.
2. Removing the old augers, auger bearings, auger drive chains, and sprockets, and installing new augers, auger bearings, auger drive chains, and sprockets.
3. Removing the Gen set and installing a new Gen set, rewiring the Gen set, and setting the hertz.

The vendor will be responsible for providing all parts, labor, shop supplies, and miscellaneous materials need to make the repairs. A complete list of the known required parts is attached.

If the vendor discovers other needed repairs after beginning work on the paver, then the vendor shall notify the county of the additional repair needs prior to beginning work on said additional repairs, including providing a list of the additional parts, extra labor, supplies, and miscellaneous charges required to make the additional repairs. If approved by the county, the county would then issue a supplemental purchase order for the additional repairs.

The repairs must be performed at a shop located with 60 miles of Canton, Mississippi.

For additional information please contact the Madison County Purchase Clerk at 601-855-5503 or via email at hardy@madison-co.com.
