

MADISON COUNTY SCHOOL DISTRICT
School Year 2018

APPLICATION FOR USE OF SCHOOL FACILITIES

Permits may be issued by the Superintendent for use of school facilities or equipment to responsible organized groups, provided use by others will not interfere or conflict with the school program, including impromptu changes in school schedules. Written application on forms approved by the Board of Education shall be made as prescribed at least 30 days prior to the expected use of the facility, shall be accompanied with reimbursement of cost for the use according to the schedule of expenses shown on the application and submitted at least 24 hours in advance of the expected use, and shall have been approved by the principal assigned to the facility.

Use of certain school facilities is subject to the following conditions:

1. Applications must be made at least 30 days prior to the date of intended use.
2. Applications shall not be considered in advance of the current fiscal year.
3. Refreshments shall not be served in auditoriums or on gymnasium floors.
4. The School Board policy regarding smoking, exit control, seats in aisle, etc. shall be observed, as well as all other city ordinances and local or state laws applicable to public building use.
5. Any person or organization renting school property must pay for any damage done to the property. The Madison County School District does not provide liability insurance. It is the user's responsibility to secure insurance. Proof of liability insurance must accompany application, and must name the Madison County School District, the Board of Education, the Superintendent and their employees and agents as an additional insureds-lessor.
6. A contract for the rental of school property is not assignable to another person or organization.
7. The rental fee does not include property and equipment not normally located in or on the premises rented.
8. Persons attending meetings will be required to go directly to the facility for which application is made and to leave by the most direct exit.
9. Equipment available for use shall consist of tables, chairs, podium, lectern, lights, heating/cooling, and other furnishings and equipment that is normally in place.
10. When certain facilities are used, the organization renting the facilities must employ a school official or another person appointed by the principal of the school to be present at all times.
11. No alterations of electrical circuits or breakers may be made without the approval of the supervisor of the building.
12. If the program requires parking attendants, then they must be furnished by the organization. Parking of vehicles will be limited to designated parking areas only.
13. Failure of the applicant to comply with any of the foregoing conditions shall constitute cause of cancellation and/or refusal of privilege to use.

Subject Revised Use of School Facilities Fees (excluding Performing Arts Centers)

Please see the updated fees schedule for use of all facilities excluding the Performing Arts Centers. These were board approved April 2008 and will go into effect July 1, 2008.

Let me know if you have questions.

Thanks,
Debbie
