Subject: Madison Election Commission needs dates for training in April

Cynthia,

We have training dates that are going to come up in April, and quite possibly May....and we need to use the Board of Supervisor room for some training dates, please.

The tentative dates we have for now are:

April 5th – 5pm – 8pm

April 11th – 10am – 2pm

April 12th – 5pm – 8pm

April 19th – 5pm – 8pm

If would let me know as soon as you can, I would appreciate it, so I can alert the political parties. As for right now, we don't have dates as of yet for May.

Thank you,

Julia Hodges

Madison County Election Commissioner – District 2
