County Engineer

Re: Storm Water Management Certification

The Engineering Department requests approval for Shelton Marberry and Andrew Grant to attend and pay registration costs associated with Storm Water Management Certification held in Jackson, MS on June 21, 2018.

Storm Water Management Certification

Description – This workshop to better educate the participants on proper Best Management Practice (BMP) sections, how to layer those BMPs, how to correctly install, inspection, and maintenance (BMPs) for use during and after construction to minimize impacts caused by uncontrolled erosion and sedimentation on the construction site. Likewise, the course will help develop a better knowledge of how to properly manage the impacts from solids (TSS), turbidity (NTUs), and nutrients (i.e., nitrogen and phosphorus) and other surface water contaminants.

Registration Information – Registration can be completed online at: www.mdot.ms.gov/ltap/ or by completing the information below and submitting this form to the LTAP Team via email at ltap@mdot.ms.gov . **Registration is \$250. Lunch is provided.** Substitutions may be made at any time. Any registrant requiring a reasonable accommodation during training (i.e., mobility or access) should contact the Mississippi LTAP Center prior to the course date so the appropriate arrangements can be made.

Who Should Attend? Road builders, Public Works Director, Assistant Public Works Director, Road Managers, City and County Engineers, Design Engineers, Storm Water Managers, Technicians, Foremen, Landscapers, Superintendents and Consultants.

Instructor: Mr. Steve Johnson and Joe Stoud - Thompson Engineering

Time: 8:00a.m. – 5:00p.m.
