Re: Completion of Project
State Aid Project No. SAP-45(15)M
North Old Canton Road

The Engineering Department is requesting that the Board acknowledge the attached Close-Out Documents submitted to the Office of State Aid Road Construction for the completion of North Old Canton Road Improvements and that the Board President be authorized to sign all associated paperwork.

April 27, 2018

Mr. Daniel Howell
Staff Officer
Office of State Aid Road Construction
Mississippi Department of Transportation
P. O. Box 1850
Jackson, Mississippi 39215-1850

Re: Close Out Documents
SAP-45(15)M – North Old Canton Road
Madison County
H1S Project No. 16003

Dear Mr. Howell:

Please find enclosed the following documents in support of project close out for the above referenced project:

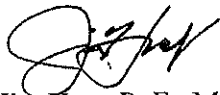

- Certificate of Completion
- Source of Supply
- Over/Under
- Final Report of County Engineer & Contract Time Data
- P-1a Report
- Final Plans
- Contractor's Estimate #4 and Final (4 copies)
- Engineer's Estimate #4 and Final (4 copies)

We are continuing to work on the Notice to Bidders No. 11. We will provide it as soon as it is available.

Please review this information and let me know if any corrections are needed. Thank you so much for your support during this process.

Sincerely,

H1 Services, LLC

Jim Hust, P. E., Manager

Pc: Ed Holland, P. E., District Engineer
Dan Gaillet, P.E., County Engineer

COUNTY ENGINEER'S CERTIFICATE OF COMPLETION
ACCOMPANYING FINAL ESTIMATE

STATE OF MISSISSIPPI

Project No. SAP-45(15)M

COUNTY OF Madison

Dickerson & Bowen, Inc.

This is to certify:

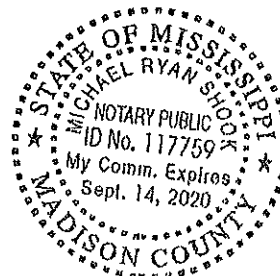

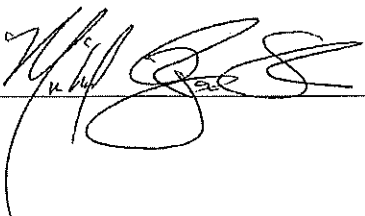

- (a) The above numbered project has been constructed in accordance with the "Final Plans of Completed Work" (reduced blue line prints), based on available project information, and by general project site observations. Certification is based only on available project information, and no warranty of project completion is implied beyond the level of information provided. Documents which bear my signature in the upper right hand corner of each sheet of the "Final Plans of Completed Work", filed with the Office of State Aid Road Construction of the Mississippi Department of Transportation, Jackson, Mississippi, is given under these conditions.
- (b) The final quantities have been computed based on pay item information available and provided for completion of the project. No certification of accuracy of quantities beyond information provided is given. Quantities based on available data is included in the plans and reports and are on file in the County Engineer's office or Chancery Clerk office to substantiate final quantities reported.
- (c) Based on available information, the work meets the requirements of the Specifications therefor.
- (d) All materials used on this project have been properly sampled and tested in accordance with State Aid policy and procedures. Exceptions are explained on an attachment. Sources of supply of major items of materials used on the project are being submitted with this certificate.
- (e) The results of tests referred to in the above paragraph compare favorably with the results of independent assurance samples and tests. Exceptions are explained on an attachment.
- (f) An overrun-underrun statement is being submitted showing differences in quantities between the original and final quantities with a brief explanation for such differences.
- (g) The Contractor has removed all equipment and materials from the right-of-way.

County Engineer
