

2018 MISSISSIPPI POLICY CONFERENCE

August 9–12, 2018 • Tunica, Mississippi

The Congressional Black Caucus

Institute champions and plans
seminars based on these issues:

- Civil Rights
- Criminal Justice
- Economic Inequality
- Education
- Healthcare
- Jobs creation
- Poverty
- Voting rights
- Any other legislation that furthers the rights of disenfranchised voters, especially African-Americans.

EACH YEAR, THE CONGRESSIONAL BLACK CAUCUS INSTITUTE holds one of the year's best policy conferences. This year's conference, will be no exception. What is our proof? We have a dedicated audience of over 600 attendees that are committed to actionable outcomes who continue to support and participate year after year.

WHY HOLD OUR CONFERENCE IN TUNICA?

In the late 1980's, Tunica was known as "Sugar Ditch Alley" because of the open raw sewage system that ran alongside the homes of many of the county's residents. It is now a casino city and the fifth largest gaming market in the United States. Despite this progress, Tunica is still plagued with racial, social, and economic disparities that are mirrored throughout all of our communities.

Our leadership believed it was critically important to convene a policy conference in the Mississippi delta. So, every year since our inception we bring community leaders, elected officials and power brokers here to Tunica to engage in conversations about our plight with the hopes of educating, motivating, and spurring each other to action.

FROM SUGAR DITCH TO THE FIFTH-LARGEST GAMING MARKET IN THE U.S

Tunica is the perfect example of what happens when organizations, governments, and citizens come together to discuss current public policy challenges and forge a way forward to make real change.

WHO ARE OUR ATTENDEES?

Our attendees are business and community leaders, elected officials, and academicians who care about issues that affect minority communities. They are change agents—making a difference in their organizations and their communities.

WHAT YOUR SPONSORSHIP MEANS TO CBCI?

Your participation as a sponsor makes it possible for us to successfully fulfill our mission of "educating today's voters and training tomorrow's leaders" ensuring that our issues are heard in every corridor of the halls of power.

**We thank you in advance for your support
and can't wait to see you in Tunica.**
