THE MADISON COUNTY JOURNAL

SWORN TO AND SUBSCRIBED before me the 26 day of April, 2018.

Amy N. Lambert

Notary Public

NOTICE OF PUBLIC HEARING
Notice is hereby given that pursuant to Section 65-7-121 of the Mississippi Code, the Madison County Board of Supervisors will hold a public hearing on May 21, 2018 at 5:00 p.m. in the Supervisor's Board Room of the Madison County Office Complex, 125 West North Street, Canton, Madison County, Mississippi, for the purpose of allowing public comment on the question of whether or not to abandon a portion of Way Road, a public county road located in Madison County, Mississippi, and being more particularly described as follows to wit:
PROPOSED TERMINATION POINT OF WAY ROAD

The following description is based on the Mississippi State Plane Coordinate System, West Zone, NAD 83/93, NAVD88, grid values, using a combined scale factor of 0.99995825124 and a ground to grid angle of N 00°11'42"W developed at the Point of Commencement, being derived using the University of Southern Mississippi's RTK/VRS network, said point having a value of N: 1181884.16, E:2407420.70 and Z:210 on said coordinate system. Commencing at the southeast corner of the Southwest Quarter of the Southeast Quarter of Section 34, Township 11 North, Range 3 East, Madison County, Mississippi, said point being represented by a long standing 6" x 6" concrete monument (said monument described in local area deeds as being a geodetic bearing of N 89°59'W a distance of 1317.50 feet from the southeast corner of Section 34); thence run N 02°59'09" W a distance of 570.25 feet (generally along a barbed wire fence with triangular concrete fence posts) to a point in the center of Way Road where the pavement ends and the gravel begins, said point being the proposed Termination Point, and having a value of N:11824563.62, E:2407391.00 on the above referenced coordinate system. It is the intent of the above described Termination Point to be the most eastern end of Way Road, being 5610 feet (1.0625 miles), more or less, from its center line intersection with U.S. Highway 51, which has a value of N:1181917.07, E:2401899.23 on the above referenced coordinate system. It is the intent of the Madison County Board of Supervisors to ABANDON any interest Madison County has, or may have acquired in serving the public interest, to that portion of Way Road lying EAST of the Termination Point described above. Published by order of the Board of Supervisors of Madison County, Mississippi, dated this the 19th day of March, 2018.
/s/Sheila Jones
Board President
Publish: April 12, 19 and 26, 2018.
