May 10, 2018

Dear Shelton Vance,

This letter is for The Madison County Board of Supervisors to consider approval of a donation from the Gluckstadt Volunteer Firefighter's Association for a gas log fire place to be installed in the new Gluckstadt Fire Station 3 at no cost to the county. The Gluckstadt Volunteer Firefighter's Association, which consists of all the members of Gluckstadt Fire Department, voted at a recent meeting to purchase and donate a gas log fire place and pay for any associated cost for installation. If possible, we would like to have this letter added to the agenda of the Board of Supervisor's next meeting scheduled for May 21, 2018.

Sincerely

A handwritten signature in cursive script that reads "Nick Rushton".

Nick Rushton
