

COMPTROLLER

Madison County, Mississippi, located in Central Mississippi, is currently seeking a Comptroller who has extensive experience in finance management, accounting, fiscal reporting and control, budget development and monitoring. This position will be responsible for development of financial policies, coordination of the annual audit, execution of the County's patrol and accounts payable operations, long-ranged financial planning, investments, capital facility planning, taxation and revenue sources, supervision of staff, and other financial duties. The ideal candidate will be strong and confident leader with effective interpersonal skills.

Preferred qualifications include a bachelor's degree in business administration, public administration, accounting, or a closely related field, should be a CPA, and requires a minimum of five years professional governmental finance experience.

Resumes will be accepted until June 29, 2018.

Submit letter of application with resume, which includes salary history and work references to:

Madison County Board of Supervisors

Attn: Loretta D. Phillips, Director of Human Resources

P. O. Box 608
