

Cynthia,

The Secretary of State has a mandatory summer workshop that all Election Commissioners must attend. We have a choice of three dates:

July 10th – Hattiesburg

July 17th – Meridian – Julia Hodges and Pat Truesdale

July 24th – Grenada

Would you ask the Board of Supervisor to approve our travel mileage for these dates. At this moment, I don't know which of these dates the other Commissioner will attend.

Please let me know if you have any other questions.

Thank you,

Julia
