Mr. Sahler explained there had been a change in ownership and they had decided to expand the size. Upon Motion by Commissioner Billingsley to approve the site plan, seconded by Commissioner Miller, with all voting "aye," the motion to approve the site plan passed.

Upon Motion by Commissioner Billingsley to approve the site plan, seconded by Commissioner Miller, with all voting "aye," the motion to approve the site plan passed.

There next came on for consideration the site plan of Luckytown Square for a new business located on Gluckstadt Rd. and Distribution Dr. Alton Clingan appeared on behalf of the site plan. There was a discussion regarding there not being any set tenants for the development yet so they don't know how many parking spaces and they don't have a sign package. Upon Motion by Commissioner Billingsley to approve the site plan, seconded by Commissioner Howard, with all voting "aye," the motion to approve the site plan passed.

There next came on for consideration the site plan for a new business of Calhoun Station located at Church Rd. and Calhoun Station Pkwy. Commissioner McKay inquired regarding the entrance off Church Rd. because of the safety hazard it poses being in a high traffic area with a right turn lane right there. A discussion was held regarding this issue and Commissioner McKay stated that he would like Dan Gaillet, County Engineer to review the Church Rd. entrance. Upon Motion by Commissioner Billingsley to approve the site plan conditional on the Church Rd. entrance being reviewed and approved by Dan Gaillet, seconded by Commissioner Miller, with all voting "aye," the motion to approve the site plan with the condition passed.

There next came on for consideration to open the public hearing. Upon motion by Commissioner McKay to open the public hearing, seconded by Commissioner Howard, with all voting "aye," the motion to open the public hearing passed.

There next came on for consideration the rezoning of land from R-2 to R-5 Residential located on Catlett Rd. Brian Sartain appeared on behalf of the petition. He explained that this would be 1,800 square foot minimum homes with a 2-car garage. Don McGivens appeared next in opposition to the request. He stated that he lives directly across the street from this and traffic is already a large issue and this increase in homes would negatively affect the condition. Earl Hill also appeared and stated that he lives at 301 Catlett Rd. near this area and he was opposed to the development because there had been too much growth already and he was against another large development. Richard Young also addressed the Commission. He was the spokesperson for the Quail Ridge neighborhood association. He explained that this would be out of character with the area and also a traffic hazard when there was already a safety issue since homes of this size were being marketed to elderly, retired individuals/couples. Martha Ann Smith who lives on Dewees Rd. also spoke and inquired how this might affect the Catlett Rd. expansions and a discussion was had regarding that issue.

The Commission discussed the requirements of R-2 which does not have a minimum square footage size required and does not require any green space. Commissioner Billingsley inquired regarding how many houses the request would add and Mr. Sartain explained that it would add five (5) rooftops to the development if the request was granted. Upon Motion by Commissioner Howard to deny the request because he did not feel like the petitioner had met the burden of proof for rezoning, seconded by Commissioner Miller, with Commissioners Howard, Miller and McKay voting "aye," and Commissioner Billingsley voting "nay," the Motion to deny the petition for rezoning passed. Zoning Administrator Weeks notified the petitioner of his fifteen (15) day appeal period.

There next came on for consideration to close the public hearing. Upon Motion by

Commissioner Billingsley to close the public hearing, seconded by Commissioner Miller, with all voting "aye," the motion to close the public hearing passed.

There next came on for discussion the setting of the May, 2018 meeting/public hearing. The second Thursday is Canton Flea Market so the meeting will need to be the third week of May to meet the publication requirements. Upon Motion by Commissioner McKay to set the meeting/hearing for May 17, 2018, seconded by Commissioner Miller, with all voting "aye," the motion to set the meeting date passed.

With there being no further business, the April 12, 2018 meeting was adjourned.
