Dear: Madison County Emergency Services/ Board of Supervisors

The City of Canton Fire Department is requesting assistance in the amount of \$24,500.00 to purchase radios for the fire stations, vehicles, and Fire Department personnel. This assistance allows the Canton Fire Department to upgrade to the system that the County Fire Dispatch is using. It will also help us better communicate with the County Fire Department and Madison County Emergency Services. Thank you very much for your attention in this matter.

William Truly Jr. M.D.  
Mayor, City of Canton, MS.
