Dear: Madison County Emergency Services/ Board of Supervisors

The City of Canton Police Department is requesting assistance in the amount of \$18,375.00 to purchase radios for the police stations, vehicles, and Police Department personnel. This assistance allows the Canton Police Department to upgrade to the system that the County Sheriff Department is using. It will also help us better communicate with the County Sheriff Department and Madison County Emergency Services. Thank you very much for your attention in this matter.

William Truly Jr. M.D.
Mayor, City of Canton, MS.
