Dear Ms. Jones:

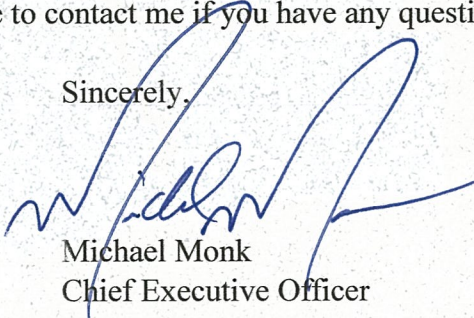

RE: CMPDD Board of Directors Appointment

We are in receipt of a letter from Mr. James Archer, Madison County's Business/Industry Representative, that he is retiring from the CMPDD Board of Directors effective June 30, 2018. Mr. Archer represented Madison County on our Board over the past 14 years, even serving as President from 2013 to 2016.

Due to the vacancy of the Business/Industry Representative, we are respectfully requesting that the Board of Supervisors fill this appointment at your earliest convenience so Madison County will be fully represented on the CMPDD Board of Directors.

Thank you for your attention to this matter and as always, your assistance and involvement with CMPDD is greatly appreciated. Please feel free to contact me if you have any questions.

Sincerely,

Michael Monk
Chief Executive Officer
