Re: Survey of Bertha Mae Lockett property

I propose to survey the property in the name of Bertha Mae Lockett and being 1 acre situated in Section 14, T10N, R4E, Madison County, Mississippi for the lump sum of \$800.00.

This price includes marking all corners and drawing a survey plat.

Sincerely,
Chisholm Engineering

Ronnie Chisholm

PROPOSAL

CHISHOLM ENGINEERING

2500 Sand Hill Road, Lexington, MS 39095

PH.: 662-299-7070

Email: chisholmsurveying@gmail.com

Date: July 10, 2018

Proposal to provide surveying services to the County of Madison for the HOME Rehabilitation Grant.

QUALIFICATIONS of staff personel

Ronnie Chisholm: Licensed land surveyor since 1992. Graduated from Mississippi State University in 1993 and became a licensed engineer.

Charlie Bowie: Instrument man, 10 years experience running total stations with data collectors and levels.

Mike King: rod man, 2 years experience

EXPERIENCE of firm

Since it's inception in the year 2000, Chisholm Engineering has worked on a variety of projects that cover a wide scope of surveying activities. Some examples are:

- Boundary surveys
- Topographic surveys
- Contour mapping
- Residential subdivision survey and design
- Roadway construction staking
- Electrical transmission line surveys and construction staking
- Deed and records research
- As built surveys
- Elevation certificates
- Mining permits and reclamation plans
- Stockpile quantity determinations

Specific projects include: Numerous lot surveys for the HOME program in: Mayersville, Crenshaw, Leland, Arcola, Hollandale, Rolling Fork, Anquilla, Hazlehurst, Duncan and Sumner, Durant and Cruger.

CAPACITY OF PERFORMANCE

We utilize a three man survey crew: Ronnie Chisholm, land surveyor
Charlie Bowie, instrument man
Mike King, rod man

This size survey crew is quite adequate for surveying lots and small parcels of land up to 300 acres.

PROPOSED WORK SCHEDULE

Because we are a small company and do not take on a lot of work at one time, we can be flexible with our work schedules. With a little notice, we will make our work schedule coincide with your work schedules or time frames.

Sincerely,
Chisholm Engineering

Ronnie Chisholm
