Re: Speed Limit
Stribling Road Extension & Church Road

Due to recent changes made at the Stribling Road/Church Road intersection, the Engineering Department is recommending that speeds be reduced from 45 mph to 40 mph on Stribling Road Extension, from Catlett Road to Germantown/Church Road intersection. Additionally, the Engineering Department is recommending reducing the speed limit from 40 mph to 35 mph on Church Road from Church/Germantown intersection to Calhoun Parkway.
