I do agree and fully understand that my motor vehicle had a low oil level when I brought it to Wal-Mart for an oil change. This was pointed out to me, that I willingly requested Wal-Mart to change the oil. I will not hold Wal-Mart responsible for any damage to my motor vehicle by the low oil level.

The tread depth may not be the same at all places on a tire. Driving conditions will affect the safety and performance of my tires.</p> </div>	<div style="text-align: center;">  03-30-2013 DATE </div>
