Madison County Board of Supervisors
P. O. Box 608
Canton, MS 39046

Dear Board of Supervisors:

Thank you for your support of Canton, Mississippi, the county seat of Madison County. So many positive things are happening downtown, from major building renovations to new business openings.

On November 1, 4:00-8:00 p.m., the Canton Garden Club and Canton Tourism will be hosting the second annual **Upstairs Downtown**, a tour of Historic Downtown Canton's upstairs and some downstairs. Last year's event was a much-talked about success and we hope to make this year's even better!

We would like to request that the Old Madison County Courthouse to participate that evening. We will have food catered to the location and volunteers will be on hand to provide historic details.

It will not only help to promote our beautiful downtown as a residential and shopping destination, but assist in Canton Garden Club efforts to raise funds for the downtown street beautification project.

Tickets are on sale now; \$15 in advance or \$20 the day of the event. We are looking forward to a very successful event. Thank you in advance for your support!

Sincerely,

Mary Carol Patrick, Canton Garden Club (601-613-9411)
Jana Padgett, Committee Chairman (601-859-1307)
Alison Spivey Committee Chairman (601-859-8106)

**Upstairs Downtown
Canton, Mississippi
November 1, 2018
4:00-8:00**

Ever wonder what was upstairs around the Canton Square?

Upstairs Downtown is an event designed to draw visitors to mingle with Canton residents for an evening of design discovery, economic development awareness, and promotional success in our charming downtown. It will be an exclusive tour of the square that showcases primarily the upstairs spaces that are rarely accessible to the public. Many of the charming buildings and boutiques that draw the crowds to Canton have equally appealing second floors not always seen by visitors, or even locals for that matter. To satisfy the growing curiosity about these mysterious upper rooms we will have this satisfying experience, **Upstairs Downtown**. Canton is a prime tourist attraction with opportunities to share our architectural history while promoting businesses and shopping in local stores. **Upstairs Downtown** will also showcase spaces created in renovated historic structures.

In addition to local citizens, this invitation extends to real estate agents all around the Canton area to give them a better idea of the types of spaces that Canton has to offer. An architect or designer will be available for the event because not everyone is able to visualize the spaces "post-renovation".

Hors d'oeuvres will be served at in each building and cocktails will be served in permitted locations (such as Legends and Trolio Hotel). There will be musicians on the square to add some energy. These small touches really help make it an "experience" and not just an event. The Canton Welcome Center will be the check-in location for tickets and arm bracelets.

Participating Buildings so far:

The Loft
The Mosby Building
Trolio Hotel
Canton Movie Museum
The Crosby
Rich Grain Distilling County
Elks Lodge

The merchants are invited to stay open.

We are looking forward to a successful event. Thank you for your support!

Sincerely,
Mary Carol Patrick (Canton Garden Club)
Jana Padgett (Canton Tourism)
Alison Spivey (Merchant)
