Re: Forfeiture of LSBP funds

Pursuant to Section 65-37-7 (3) Mississippi Code of 1972

(3)(a) Except as otherwise provided in paragraph (d) of this subsection (3), when a county has failed to expend the monies allocated to it under the Local System Bridge Replacement and Rehabilitation Program, as described in Sections 65-37-1 through 65-37-15, for an uninterrupted period of two (2) successive fiscal years, the county shall forfeit and no longer be entitled to the outstanding cumulative balance on hand of the monies that were allocated to it under the program before that period of time.

(d) Before a forfeiture of funds may occur under the provisions of paragraph (a) of this subsection (3), the State Aid Engineer shall give written notice to the board of supervisors of the county at least ninety (90) days before the forfeiture, and for good cause shown, he may allow the county an additional twelve (12) months to expend the funds subject to the forfeiture.

This is written notice that Madison County has \$1,083,809.66 eligible to be forfeited unless good cause is shown to the State Aid Engineer by November 20, 2018.

If you have any questions please feel free to contact me.

Sincerely,

Harry Lee James, PE
State Aid Engineer
