FROM: EMA Office
RE: Request of Approval
FUNSAR Training

We are seeking approval for Kyrie Lucas, Seth Everett and TchiaKousky Williams to attend FUNSAR (Fundamental of Search and Rescue) training in Meridian, Mississippi. The dates of the training are October 15-19th.

This course is sponsored by Homeland Security and the lodging and registration is at no cost to county. The only expenses for this training to the county will be fuel and travel.

We feel this training will be an asset to our department and personnel.
