No it would not increase the cost. We would work that into the regular schedule.

Thanks. The question came up if this person could also go to the Election Commission (across the street) and spend two hours per week. What would the increased rate be then?

The cost to add a fulltime employee to work at the Circuit Court Building from 8 am until 5 pm Monday thru Friday will cost an additional \$1,213.00 per month.

Thanks

Stan
