Dear Madison County Board:

The City of Canton Fire Department has been informed that you are in possession of an All-Terrane-Vehicle that is not presently being utilized. Our Fire Department is in need of such a vehicle to assist us during emergencies and special events. A vehicle such as this could aid us during flooding, Medical transportation at Flea Markets, High School Home Games, Christmas Parades and Search and Rescue.

We appreciate such a kind gesture in the form of a donation, we will take the vehicle as is, and if there are any changes to be made, we will make the necessary changes. Thanks for your consideration in this matter and we look forward to hearing from you soon.

If there are questions, or you need further information in this regard, please do not hesitate to contact me at (601) 859-3112.

Sincerely,

Andrew Hughes, Chief
