To Whom It May Concern:

First Baptist Church of Madison has been a polling location for the past several years. Due to increased church activities in the gym where we locate the voting machines, we will not be able to continue being a voting location after December 31, 2018.

If you have any questions regarding this request, please contact me at either 601.790.2257 or [bhardy@fbcmadison.org](mailto:bhardy@fbcmadison.org).

Thank you.
