Dear Shelton,

MASIT renewed its fourth policy year with 100% retention and we hope to do the same for the upcoming policy year. Our annual renewal process for Madison county's property and casualty insurance has begun. To date, we have worked with your agent, Frank Bordeaux, to collect the loss data that is required for our actuary to perform the loss fund study that will assist us and our Underwriters in building your insurance rates for the upcoming 2019-2020 policy year.

Your agent has been supplied with an electronic copy of our renewal application along with Madison county's vehicle, equipment and building schedules. In order for us to be able to offer the county a premium indication in late January, we are asking for your agent's and your assistance in ensuring that the completed renewal application and revised vehicle, equipment and building schedules are delivered to us no later than January 4, 2019.

We look forward to working with you and the county's agent in this year's renewal. Don't hesitate to contact Renada Skannal at (601) 353-2741 or [rskannal@massup.org](mailto:rskannal@massup.org) should you have questions regarding our renewal process or the renewal application. We appreciate your attention in this matter.

Yours truly,

Derrick Surrette,  
MAS Executive Director
