Delta acknowledges that the Little Bayou Pierre Mitigation Bank assumes the responsibility for the permittee's compensatory mitigation requirements (i.e., to implement, assure performance, and provide long-term management of the compensatory mitigation project) in accordance with provisions of the Mitigation Banking Instrument (MBI) governing this bank. This letter, however, does not relieve requirements to comply with all reporting requirements established in the bank's MBI.

On behalf of Delta Land Services and Little Bayou Pierre Mitigation Bank, we will immediately enter the mitigation credits purchase into the RIBITS database. Delta certifies that the information provided in this letter is true, accurate, and complete. We acknowledge that that USACE is entitled to rely on the information we have provided. Delta further acknowledges that, if the information we have provided proves to be false, incomplete, or inaccurate, the USACE may reevaluate its approval of this mitigation bank, and we may be subject to legal penalties. If USACE withdraws or terminates its approval, Delta acknowledges that we would remain responsible for any compensatory mitigation requirements associated with mitigation credits previously debited.

Please contact me if you need additional information or have questions regarding this transaction.

Sincerely,
