

# Madison County Citizens Services Agency Public Transit Day

June 14, 2013

## *Proclamation*

**Whereas**, Madison County Citizens Services Agency (MCCSA) makes community transportation services available, accessible, safe and affordable by providing demand response and flexible transportation routes across Madison County.

**Whereas**, community transportation positively enhances the quality of life by mobilizing people to employment, medical services, shopping centers, social services agencies, colleges and many other requested destinations.

**Whereas**, the coordination of transportation resources through MDOT-Division of Public Transit, TRANSCON, Madison County Board of Supervisors, Central Mississippi Planning and Development District, other transit providers, state agencies, other community action agencies, other public bodies and the private providers, we can provide seamless transportation services across Madison County.

**Whereas**, the general public populations, the elderly, veterans and those persons with disability challenges depend on community transit services provided by MCCSA on a daily basis.

**Whereas**, the quality and effectiveness of these transportation services, as well as their planning, design, and safety, are vitally dependent upon the efforts and skills of the excellent staff of Madison County Citizens Services Agency (MCCSA).

**Now Therefore**, the Madison County Board of Supervisors do hereby proclaim the 2<sup>nd</sup> Friday in June to be Public Transit Day in Madison County, the State of Mississippi. We urge every citizen to support community transportation by using public transit services, by telling others about public transit and by coordinating public transit services with MCCSA. Our goal is to enrich the quality of life for the citizens of Madison County by making community transportation services easily accessible to them.

Dated this 14<sup>th</sup> day of June 2013.
