Re: Madison Avenue shoulders

Dear Supervisors:

When the paving was completed on Madison Avenue, the shoulder work was not included in the paving project. We respectfully request Madison County to place approximately 250 cubic yards of clay gravel on the shoulders of Madison Avenue from Brashear Creek to St. Catherine's construction entrance as needed to complete the work. The City of Madison will provide traffic control during the application process.

Thank you for your kind consideration of this request.

Sincerely,

Mayor Mary Hawkins Butler
