Re: Haley Creek Crossing North Old Canton Road

Dear Supervisors:

We are experiencing erosion of the shoulders on North Old Canton Road at Haley Creek Crossing. The Haley Creek Crossing is a double box crossing and it only extends a few feet past the pavement. The erosion that is happening on the east side of North Old Canton Road has become extremely dangerous. We are seeking your help in correcting the erosion and erecting guard rails on both east and west sides of North Old Canton Road

Thank you for your kind consideration of this request.

Sincerely,

Mayor Mary Hawkins Butler
