TIMECLOCK PLUS NATIONAL SUMMIT 2019

## NATIONAL SUMMIT 2019

**march 31 - april 2**  
**the westin riverwalk**  
**san antonio, tx**

The TimeClock Plus National Summit provides a unique learning experience that educates managers and employees from different industries on how to provide an efficient workforce management solution. At this event, you will have the ability to learn more about your industry and socialize with others through various networking opportunities. You will also have the chance to hear new ideas and become inspired by fellow attendees who share the same challenges and concerns as you. Not to mention hanging out with The TimeClock Plus family and enjoying all the festive activities available. No matter the reason for attending, there is a little something for everyone!

## TRAINING

### CHOOSE FROM OVER 100 CLASSES

Attend sessions that are relative to your industry tracks such as Education, Government, and Private Sector. Each class is taught by one of our TimeClock Plus experts, and you will have the opportunity to earn up to 17 Recertification Credit Hours if you have a FPC or CPP Certification.

### ONE-ON-ONE

Work one-on-one with our Professional Service experts to ensure you are getting the most out of your software. Allow them to show you step by step on how to configure employee labor, strengthen your hardware and software knowledge, and more.

### NEW THIS YEAR, WORKSHOPS!

TimeClock Plus will be offering pre-conference workshops that will include a more in depth look at different components of our software.
