Re: Award Quote
MDA DIP Fastenal Project

On January 22, 2019 quotes were received by Civil-Link, LLS for the installation of split casing on the MMEIA 24-inch water line for the Fastenal Driveway on Old Jackson Road.

The Engineering Department recommends that the Board approve and award the quote to the lowest bidder, Hemphill Construction Co., Inc. for a price of \$38,100.00, and also authorize the Board President and County Engineer to sign all related documentation.

Mr. Dan Gaillet
County Engineer
Madison County, MS

Gentlemen

Please find attached a tabulation of the quotes received for the installation of split casing on the MMEIA 24-inch water line for the Fastenal Driveway on Old Jackson Road.

I received each quote by email on the required day and tabulated them checking each for potential mathematical errors.

With no errors being found I recommend that the Madison County Board of Supervisors award the work the Hemphill Construction Company, Inc. who provided the lowest quote for the work.

Please place the request on the next board agenda for approval.

I have each of the received quotes and can provide you with copies if desired.

Please do not hesitate to let me know if you have any questions or concerns.

Sincerely,

A handwritten signature in black ink, appearing to read "Chad A. Wages".
