Project Summary/Abstract

Please summarize the proposed project by providing at least the following information: applicant name, type of organization, total cost (including federal 5311 share requested), service area, type of services, hours of operation, number of vehicles operated, number of proposed passenger trips, proposed changes in type or level of service(s), documentation of need that supports the application and relationship of this application to the local coordinated planning efforts.

The Madison County Citizens Services Agency (MCCSA), a public governmental agency, is proposing to continue to operate its 5311 Rural General Public Transportation Program serving the general public and the elderly/disabled populations in Madison County, MS. We are proposing to operate commuter work routes, flexible routes and demand response services Monday through Friday, from 6:00 a.m. to 6:30 p.m. We will provide demand response services on Saturdays from 6:00 a.m. - 10:00 p.m. Additionally, we will provide demand response services on Sunday 8:00 a.m. - 6:00 p.m. Demand response services will be targeted to the general public as well as the elderly and persons with disabilities, including persons with developmental disabilities with a 24 hour advanced call in. We are proposing to operate eleven (11) vehicles with a (182) passenger capacity. MCCSA has (6) ADA accessible vehicles. We are requesting a total budget of **\$800,862.00** of which **\$450,822.00** in 5311 funds is requested, **\$245,912.00** from Madison County Board of Supervisors and **\$105,000.00** in contracts. Our office hours for daily call in demand services will be Monday-Friday from 8:00 a.m.-5:00 p.m. MCCSA observes all Madison County Holidays. Madison County Citizens Services Agency is proposing to provide approximately 65,214-67,500 passenger trips in 2020.

Goals and Objectives for 2019-2020 are:

1. Increase ridership above 2017-2018 program year, **(65,214)** total trips were reported. We will increase ridership, estimated trips for 2019 – 2020 will be **65,214-67,500** trips. We are projecting a 3.50% increase in ridership trips.

Objectives:

- A. We will initiate and provide a continuum of community awareness regarding transportation services. It will include the dissemination of transit brochures, and “Hop On Board” pamphlets. This material will be distributed at employment sites, medical facilities, retail stores, Madison County WIN Job Center Partners, grocery stores and colleges, hotels, restaurants, libraries as well as other places of high general public concentration. This information will also be displayed at our (10) Bus Shelters across Madison County. We will advertise transit services on our website, and through radio public service announcements, on going.
- B. To implement the activities of our Marketing Plan bi-weekly with businesses, agencies, schools, retails and hotels across Madison County to increase awareness and transit ridership, ongoing.

- C. To evaluate current flexible routes and schedules regarding most accessible services to general public users, on an annual basis, November, 2019.
- D. To continue to aggressively solicit program support funds from MDOT, RTAP, Contracts, Memorandum of Understanding and other funding resources to enhance the MCCA Transportation, ongoing.
- E. To discuss and plan coordinated transportation services with all TRANSCON MDOT providers across the region to provide seamless transportation service linkages, ongoing.

Need For Transportation Services

Madison County has a total estimated (7-1-16) population of 105,114 persons (Quickfacts.census.gov). According to the 2016 Census Report, 13.2% of the population in Madison County is age 65 and over. A total of 12% of the population in Madison County live below the poverty level. In Canton, Mississippi 25% of the population live in poverty. According to www.city-data.com/countyMadison-County-MS (11%) of the population in Madison County used some other means of transportation other than drive a car alone to work. Also, Factfinder 2, estimates that 1,682 workers by household in Madison County, Mississippi have no vehicle.

This data and census information suggest a desperate need for public transit services in Madison County. Also, this data implies that there is a targeted population that needs transportation services. Madison County Citizens Services Agency proposes to provide dependable affordable public transit services for the elderly, persons with disabilities and those in the Madison County area who need transportation services. MCCA plans to provide **65,214-67,500** transportation trips in 2019-2020.

Expansion in Services as a result of ARRA Funds:

MCCA received \$200,855 in ARRA funds for the purchase of (1) 17/21 ADA passenger bus, (1) 5/7 passenger van and 10 passenger shelters for the expansion of transportation services in Madison County. Transportation services have been expanded utilizing flexible routes for the (10) passenger shelters across rural Madison County. We have added (4) new flexible routes across Madison County. Reliable transportation services will be provided to impact accessibility to jobs and to address the personal transportation needs of the citizens in Madison County, MS.
