Madison County, Mississippi
ROW Survey Services for
LSBP-45(17) – Ben Lockett Road
Scope of Work

Madison County resolved to pursue funding to replace Bridge #SA00000000112 for through the Local System Bridge Program (LSBP) through the Office of State Aid Road Construction. On December 23, 2013 State Aid agreed to program the replacement of the bridge with LSBP funds. H1 Services, LLC is working to complete the Preliminary Engineering Phase in accordance with the LSBP Contract Agreement.

The services in this Task Order 19-01 include providing support to the Madison County Engineering Department in ROW Survey Services for LSBP-45(17). The ROW Survey Services will be developed in accordance with State Aid Standard Operating Procedures and include developing plats and descriptions for ROW to be acquired for the project. These services are **not** reimbursable by State Aid relative to the LSBP or State Aid program. These services are additional services to the LSBP and State Aid program.
