Re: Award Quote  
MDA DIP Fastenal Project

On April 25, 2019 quotes were received by Civil-Link, LLS for the installation of split casing #2 on the MMEIA 24-inch water line for a second Fastenal driveway on Old Jackson Road.

The Engineering Department recommends that the Board approve and award the quote to the lowest bidder, Hemphill Construction Co., Inc. for a price of \$36,000, and also authorize the Board President and County Engineer to sign all related documentation.

County Engineer  
Madison County, MS

Gentlemen

Please find attached a tabulation of the quotes received for the installation of split casing no 2 on the MMEIA 24-inch water line for the future Fastenal Driveway on Old Jackson Road.

I received each quote by email on the required day and tabulated them checking each for potential mathematical errors. I requested quotes from three contractors and only two responded.

With no errors being found I recommend that the Madison County Board of Supervisors award the work to the Hemphill Construction Company, Inc. who provided the lowest quote for the work. Hemphill Construction was the previous low quote on casing no 1.

Please place the request on the next board agenda for approval.

Copies of the quotes as received are attached.

Please do not hesitate to let me know if you have any questions or concerns.

Sincerely,
