Re: Appointments to Commercial Mobile Radio Service Board

Dear Melissa:

Governor Bryant appointed or reappointed six (6) individuals to the Commercial Mobile Radio Service Board during the 2019 legislative session. All of those appointments were confirmed by the Senate as of March 27, 2019. Please find enclosed a list of the appointees, along with their contact information. I have also enclosed copies of their appointment letters for your convenience.

Most of the new appointees were present at their Senate subcommittee hearing and were able to meet each other and speak briefly about their plans for the Board in the next few years. We are confident the new board members will work well together, and their qualified backgrounds will ensure that this important board accomplishes much in the coming years.

Please let me know if you have any questions.

Sincerely yours,
