To: Board of Supervisors

From: Shelton Vance
County Administrator

CC:

Date: May 6, 2019

Re: Surplus Vehicles

In the last meeting, I was directed to prepare for transfer of surplus vehicles to government entities requesting those vehicles for use in their organization.

Following those instructions, and after review of the vehicles, and consideration of past auction value of vehicles sold, I ask that you:

1. Establish a value of \$5,000 each for these vehicles,
2. Approve selling these vehicles to the requesting entities with their considered value being their participation and use of these vehicles in furtherance of their participation in the Madison County Emergency Response System, and
3. Authorize the Board President to sign the Bill of Sale and Release of Title on these vehicles.
