Subject: Tentative days for Election Training

Cynthia, would you please check these days for Board of Supervisor room availability. Also, the days that say we are at Trace Ridge, just in case TR says they can't handle those days and we have to switch out with BoS days. Also, the training will last for 2 hours, but I have asked for a 3 hour window, and I guess, we really need 4 hours, since we always have people asking more personal election questions after the training is over.

Thank you,

Julia
