Dear Scott,

Please find that we are requesting a conditional use for Renfrow Decorating located on C-2 zoned property. The conditional use (section 19.02) will allow the exterior display of building materials, in this case the placement of granite slabs visible from Denim Way. The display shall be limited to ten slabs back to back, approximately 55sf each. Placement on site shall be so as to limit any obstruction to parking.

Thank you for your attention and if there is any further information required please feel free to contact me.
