Re: Interlocal Cooperation Agreement between Madison County, Mississippi
and the City of Madison, Mississippi

Dear Ms. Snell:

OFFICIAL OPINION
Attorney General Jim Hood has received your request to review and approve the above-referenced Interlocal Agreement and has referred it to me for research and reply. As required by Miss. Code Ann. Section 17-13-11(1972), all interlocal agreements must be approved by the Attorney General before they may go into effect. This agreement involves the funding of street improvements between Madison County and the City of Madison.

We have examined the agreement pursuant to the Interlocal Cooperation Act of 1974, Miss. Code Ann. Sections 17-13-1 *et seq.* (1972) and find that the agreement is in proper form and compatible with the laws of the State of Mississippi and is hereby approved. With respect to the effect of the agreement on successor boards as it relates to the duration of the agreement, this office has consistently opined that contracts or agreements extending beyond the term of the current governing body are voidable by the succeeding board.

Prior to becoming effective, the agreement must, in addition to receiving the approval of this office, be filed with the chancery clerk of each county in which any party to the agreement is located and with the Secretary of State. Please note that any amendments to the agreement must also be approved by this office.
