# Memorandum

---

**To:** Customers purchasing Motorola Radios as part of MSWIN  
**From:** Craig P. Orgeron, Ph.D., Executive Director of ITS  
Vicki Helfrich, Executive Officer of the WCC  
**Date:** July 2, 2010 (Revised July 27, 2017)  
**Re:** MSWIN RFP 3429: Instructions for Use

---

## 1. Introduction

- 1.1 Information Technology Services (ITS) and the Wireless Communication Commission (WCC) issued Request for Proposal (RFP) 3429 for a statewide Digital Trunked Land Mobile Radio System service. In June 2007, the WCC executed a turnkey agreement with Motorola Solutions, Inc. f/k/a Motorola, Inc. ("Motorola") for the implementation of the statewide radio system to be known as the Mississippi Wireless Information Network (MSWIN).
  - 1.2 This **MSWIN RFP 3429: Instructions for Use** Memorandum provides ITS and WCC customers authorization and instructions for making purchases using the MSWIN Motorola 3429 contract.
  - 1.3 *Who May Use:* MSWIN RFP 3429 may be used in the acquisition of specific Motorola configurations of Mobile, Portable, and Dispatch Console units and accessories by Mississippi agencies, universities, community/junior colleges and governing authorities (cities, counties and school districts). This award meets Mississippi requirements for legal purchases.
  - 1.4 *Dollar Limitations of Use*
    - 1.4.1 Any procurement of wireless communication equipment and services which when combined with previous procurements during the current fiscal year exceeds \$100,000 requires prior approval by the WCC. The procedure for requesting approval is located on the WCC web site at <http://www.wcc.ms.gov/>.
    - 1.4.2 Any use of RFP 3429 must have prior, written approval for all purchases over \$100,000 from the WCC, as described in Section 4 below.
-

Once the WCC has provided written approval, there is no maximum dollar limitation for use of RFP 3429. Radio purchases under \$100,000 may use the Two-Way Radio Express Products List, available at

<http://dsitspe01.its.ms.gov/its/RadioEPLOnline.nsf/VendorPrint?OpenForm>

**1.4.3 For purchases under \$100,000 the WCC has delegated authority to purchase from RFP 3429 to the customer entity.**

1.5 *Effective Dates* (Updated July 26, 2017)

RFP 3429 is effective from June 29, 2007 to ~~June 30, 2017~~ June 30, 2021. Effective July 2, 2010, Motorola has created the special MSWIN RFP 3429 Website for customer price verification as described in the ordering process below.

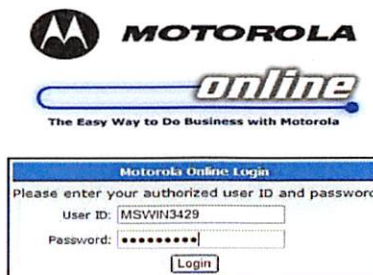

**2. How to Obtain Price Quotations from the MSWIN 3429 Website**

2.1 Customers should first obtain a quotation for their project from Motorola or one of the approved Motorola Dealers listed in item 5 below.

2.2 Customer must then verify the pricing quotation from a specially created Motorola MSWN RFP 3429 website. Print a copy of the website pricing for your project file.

2.3 Shipping Costs are included in the MSWIN 3429 price.

2.4 The MSWIN 3429 Website is at this link:

## 2.6 Using the Motorola Online Site to Check MSWIN 3429 Pricing

2.6.1 You can use either the State's "Generic" Login or the individual Login you create to access the MSWIN pricing, create a Cart/Configuration, or email your configuration to yourself and the Motorola Team as an "E-Quote."

2.6.2 Be careful when using the State's "Generic" Login when you save your configuration. Look for a warning sign in red: **"An open cart has been detected. Click here to go directly to the open cart."**

The screenshot shows the Motorola Online Site navigation bar with icons for Contact Us, Search, Buying Center, Resource Center, Training Center, Order Status, and Shopping Cart. Below the navigation bar, the user is signed in as MSWIN 3429. A red warning message is displayed: "An open cart has been detected. Click here to go directly to the open cart." A red arrow points from the warning message to the "Active Cart" link in the Shopping Cart dropdown menu.

2.6.3 Click the RED link to go to the open cart OR under "Shopping Cart" on the top menu bar, click "Active Cart".

2.6.4 Delete the "Active Cart" to clear it before starting your own configuration.

2.6.5 If you do not clear the Active Cart, then your configuration will be added to the previous person's configuration.

2.6.6 If you have added items to your shopping cart but do not wish to Save the Cart, please delete your cart before logging off so that your quotes will not be there for the next user.

2.6.7 Note that any "Saved Cart" can later be accessed by choosing "Shopping Cart" on the top menu bar, and clicking "Saved Cart". Saved Carts are on the site for 30 days.

### 3. Use of Two-Way Radio EPL for Service Quotations and Other Purchases

3.1 ITS currently has two contracts covering Two-Way Radios. Either may be used as best fits the customer, project, and the purchase size.

3.1.1 Two-Way Radio EPL 3744 is a multi-award Express Products List that includes many manufacturers and dealers. It has a \$200,000 per fiscal year spending limit without additional approval from ITS. For purchases over \$50,000, the customer MUST obtain quotations from two or more EPL sellers. For any acquisition that results in an expenditure over \$100,000 in a fiscal year, the customer MUST also receive written approval from the WCC. The Two Way Radio EPL includes both MSWIN compatible radios as well as non-MSWIN, from both Motorola as well as other Manufacturers.

3.1.2 MSWIN RFP 3429 is a single award contract to Motorola and only includes products and bundles proposed as part of the MSWIN project. Its use requires approval from the WCC for over \$100,000. For purchases under \$100,000 the WCC has delegated authority to purchase from RFP 3429 to the customer entity.

3.1.3 There is some redundancy as some of the same MSWIN products and bundles are available for smaller purchases on the Two-Way Radio EPL.

3.2 Work with the Motorola representative listed in item 5 to understand whether your radio purchase needs will be part of the statewide MSWIN system.

3.3 RFP 3429 pricing does not include the unit service costs for the installation or configuration of the radios. Please ensure that any installation pricing

proposed on the quotation from Motorola or a Motorola dealer is no more than the vendor's pricing on Two-Way Radio EPL 3744.

- 3.3.1 Two-Way Radio EPL Interactive Vendor Fees  
<http://dsitspe01.its.ms.gov/its/RadioEPLOnline.nsf/VendorPrint?OpenForm>
- 3.3.2 Services for Governing Authorities such as counties are governed under public purchasing law, but ITS highly recommends that you use the Two-Way Radio EPL approved rates as the not-to-exceed cost.
