Dear Mr. Vance,

Waste Management will adjust our rate per home charge for garbage pickup for Madison County, which will be effective for the May 1, 2019 until May 1, 2020. This price adjustment is in accordance with SECTION: 20. (a) Price Adjustments, page 11 of our contract with Madison County.

The price adjustment is based on the Consumer Price for Water, Sewer, and Trash CPI figure published by the Bureau of Labor Statistics, U.S. Department of labor, which is an increase in the amount of 3.55%.

The above-mentioned increase will change the per house charge by .28 cents from the current rate of \$9.43 per unit to \$9.76 per unit.

We appreciate the good business relationship we have with Madison County and we will continue to provide the highest level of quality, safe and efficient garbage collection service for Madison County.

Sincerely,

20.0 PRICE ADJUSTMENTS

(a) *Adjustment of Collection Cost.* The Compensation payable by the County to the Company shall be annually adjusted by the same percentage as the Consumer Price Index for Water, Sewer, and Trash CPI, Not Seasonally Adjusted, All Areas ("C.P.I.") shall have increased during the preceding twelve months. The initial rate adjustment shall take effect on the first anniversary date of the Commencement Date, and rate adjustments for succeeding contract years shall take effect on the successive anniversary dates of the Commencement Date during each succeeding year throughout the term hereof. Monthly payments due by the County to the Company shall be adjusted to compensate for such annual rate increases.

(b) *Additional Adjustments.* In addition to the price adjustments set forth above, the Contractor's compensation shall be increased or decreased to offset any increased or decreased costs associated with a change in haul distance if an alternative Disposal Site or State Approved Disposal Facility is designated by the County pursuant to the terms of this Contract.
