June 17, 2019

Cynthia,

I need to have 220 hours at \$25 an hour placed on consent agenda for June 17th BoS meeting for 2 technicians - Rodderick Greene and Tressa Carliss, to operate as voting technicians for the Madison County Election Commission for the Primary election on August 6th and the Primary Runoff on August 27th.

We will need to use them to get the election voting machines, the handicap machines and electronic tablets calibrated for the August Primary and Primary Run-off elections.

We believe that the Governor's race in the Republican and Democrat side will go to a runoff - which means more machines will need to be out for the Runoff. It makes the runoff a bigger deal, than normal because it will encompass the entire County.

Thank you,

Julia
