Gentlemen

Please find attached a tabulation of the quotes received for the overlay of Thomas Johnson Road per the MDA DIP GRANT for the Fastenal Project.

I received each quote by email on or before the required day and tabulated them checking each for potential mathematical errors.

With no errors being found I recommend that the Madison County Board of Supervisors award the work to Franklin Paving who provided the lowest quote for the work.

Please place the request on the next board agenda for approval.

I have attached each of the received quotes.

Please do not hesitate to let me know if you have any questions or concerns.

Sincerely,
