Re: LSBP-45(21) Hart Road
Madison County

Supervisors:

This is to advise you that the program for the referenced project has been **approved**, (see attached copy). Funding of this project combines Madison County's LSBP funds and funds requested from the LSBP Forfeited Pool Funds (LFP). Note that funding for this project is contingent upon the availability of the type and amount of funds needed at the time the project is ready to be authorized for letting.

Should you have any questions concerning this action or desire further information, do not hesitate to contact this division.

Sincerely,
Harry Lee James, P.E.
State Aid Engineer

Date 06/17/2019

ORDER OF BOARD OF SUPERVISORS Madison **COUNTY**
SETTING FORTH PROPOSED LOCAL SYSTEM BRIDGE
REPLACEMENT AND REHABILITATION PROJECTS FOR PERIOD
January, 2019 **THROUGH** December, 2019

6

Pursuant to the provisions of House Bill 1302 of the 1994 Legislative Session and as subsequently amended, herein after referred to as said Act, We, the undersigned members of the Board of Supervisors of Madison County, hereby order that the proposed project(s) listed herein constitute the LSBP Program for Madison County for the period January, 2019 through December, 2019.

6

In support of this order, the Board certifies and agrees that:

1. The Board has employed a Registered Professional Engineer and such other technical experts as may be necessary to perform all engineering services required, to properly supervise and inspect the work in compliance with the Rules and Regulations of the State Aid Engineer established in accordance with said Act.
2. The program, which has been prepared by the LSBP Engineer and approved by this Board, is herewith submitted to the State Aid Engineer for approval. The projects in said program are on the Off-System. (Non-State Aid, Non-Federal Aid)
3. The State Aid Engineer is authorized to effect such transfer of LSBP funds as are necessary to pay engineering costs on the projects as authorized by said Act and in accordance with the current Rules and Regulations promulgated by the State Aid Engineer.
4. The State Aid Engineer is authorized to effect such transfer of LSBP funds as are necessary to pay testing expenses incurred prior to the award of contract on any project(s) included in this program. In the event the Board cancels or withdraws any project(s) included in this Program, the Board hereby agrees to reimburse its Local system Bridge Replacement funds for any charges incurred and paid from LSBP funds.
5. The State Aid Engineer is authorized to ensure an equitable distribution of projects and funds among the County and incorporated Municipalities located therein based upon the proportional number and costs of deficient bridges in both the County and the Municipalities.
6. The Board will provide, at its own expense, adequate base and any necessary paving upon completion of the structure, in accordance with said Act and plans and specifications.
7. The Board will furnish an Agreement from the Municipality when a project is included in this program that is within a municipality.
8. The Board will maintain the projects located within their jurisdiction in a regular and satisfactory manner subject to the approval of the State Aid Engineer, all as required in said Act.
9. The Board will comply with all applicable Laws, Rules and Regulations in the acquisition of rights-of-way and will maintain the acquired rights-of-way for said project(s) to keep the same free of encroachments such as buildings, fences or any other obstructions. The Board designates Katie Bryant Snell as its right-of-way acquisition agent for the project(s) herein. The agent's address and phone number is PO Box 3007, Madison, MS 39130, 601-460-9800.
10. The Board herein affirms its acceptance of the Office of State Aid Road Construction's policy for the accommodation of utilities as stated in S.O.P. No. SA II-2-8 and agrees to coordinate utility facility installation and/or adjustment in a timely manner so as not to impede project development.

PROJECT PRIORITY NO. _____
