To: Sheila Jones, Supervisor, District I  
Trey Baxter, Supervisor, District II  
Gerald Steen, Supervisor, District III  
David Bishop, Supervisor, District IV  
Paul Griffin, Supervisor, District V

From: Tim Bryan, P.E.  
County Engineer

Re: Outside Equipment Repair

The Engineering Department is recommending approval for Lewis Electric to make repairs to the low mast lights at the Gluckstadt/I-55 interchange under the provisions of §31-7-13(m) ii, Outside Equipment Repairs.

**Exceptions from bidding requirements.** Excepted from bid requirements are:

(ii) **Outside equipment repairs.** Repairs to equipment, when such repairs are made by repair facilities in the private sector; however, engines, transmissions, rear axles and/or other such components shall not be included in this exemption when replaced as a complete unit instead of being repaired and the need for such total component replacement is known before disassembly of the component; however, invoices identifying the equipment, specific repairs made, parts identified by number and name, supplies used in such repairs, and the number of hours of labor and costs therefor shall be required for the payment for such repairs.
