Subject: Canton Safe Routes: Ricks Dr & Washington Laydown Area Request
Attachments: Material Laydown.pdf

Mr. Lee,

As discussed Hemphill Construction Company will be starting the Canton Safe Routes to School Sidewalk Project for the City of Canton. The project begins at Ricks Dr and goes east to MLK. We are requesting a laydown area for the following material and equipment that will be required to complete this project. The project is schedule to begin in September and be completed by the end of January. The area disturbed will be graded and grassed after completion of the project.

Material & Equipment:

Trackhoes, Loader and other small misc. equipment
RCP Pipe and Precast Concrete Drainage Structures
Rebar, form board and misc. sidewalk material
Stone & Fill material as required

If you have any questions please give me a call.

Thanks,

Chris Buckalew
Project Manager
